

All the way around we go.
That's the way we form zero.

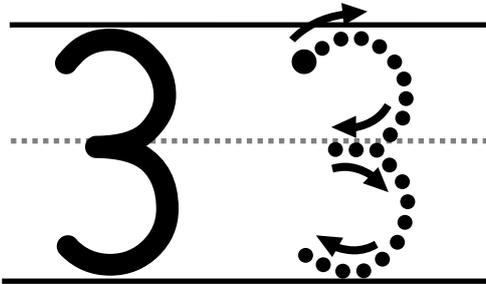

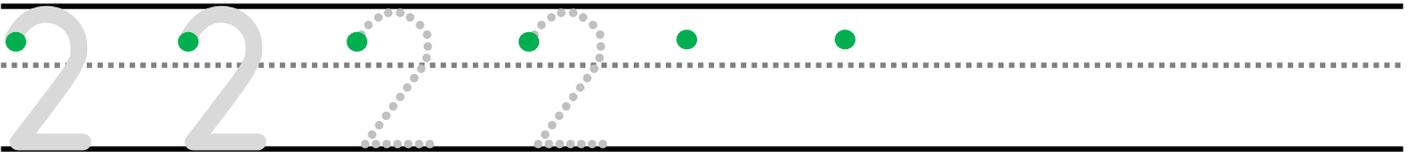

Race down the line, Now you've won!
That's the way we form a one.

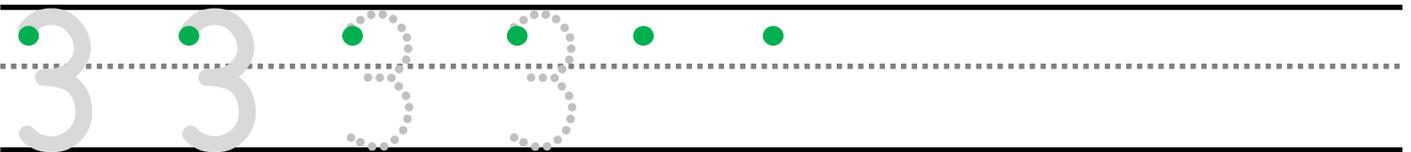

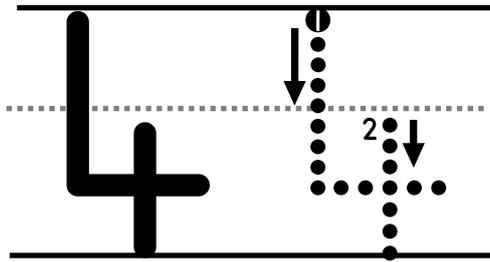

Half a heart then to the right is
your clue.
That's the way we form a two.

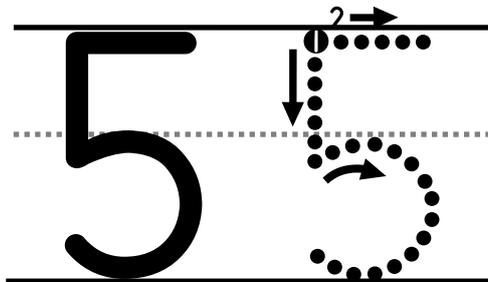

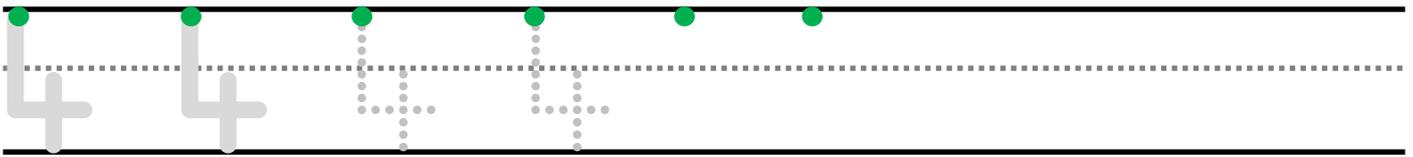

Backwards c, backwards c,
that's the way we form a three.

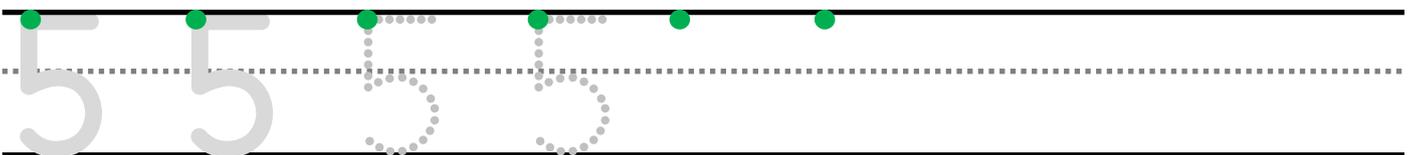

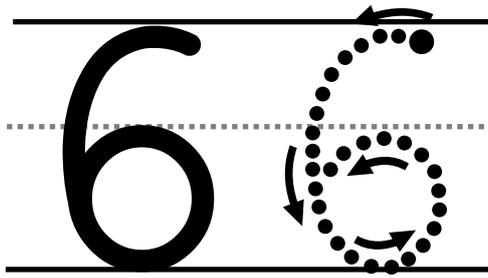

*Down, across, then down some more.
That's the way we form a four.*

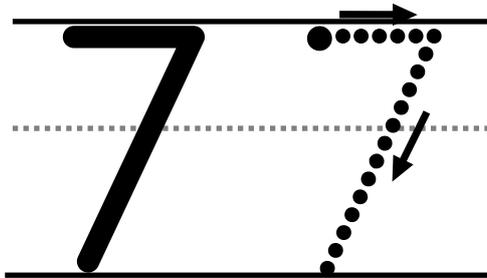

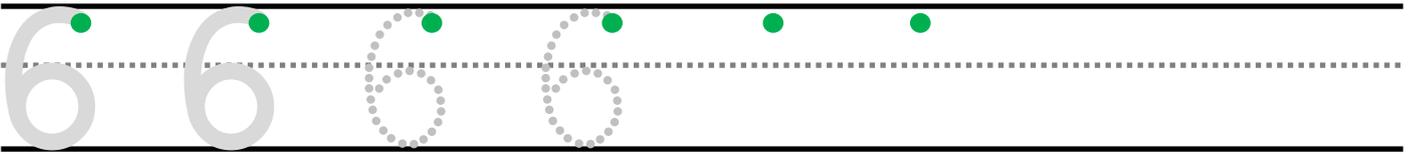

*Buzz down the line and around the
hive, lift, then across the top.
That's the way we form a five.*

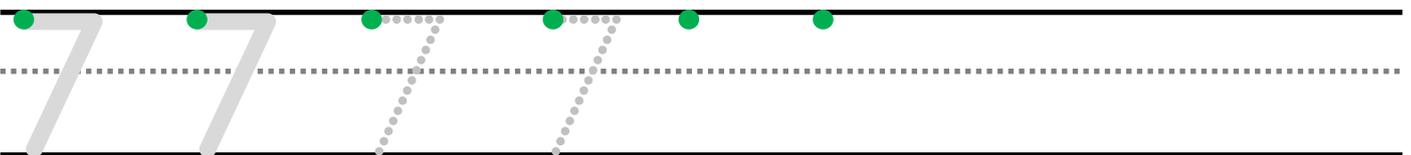

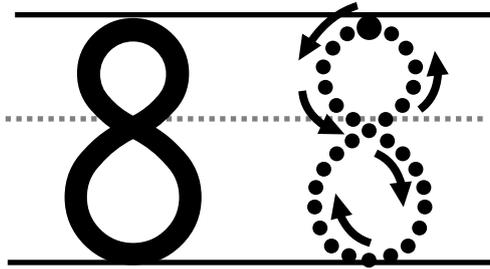

*Around in a curve, add a loop to the mix.
That's the way we form a six.*

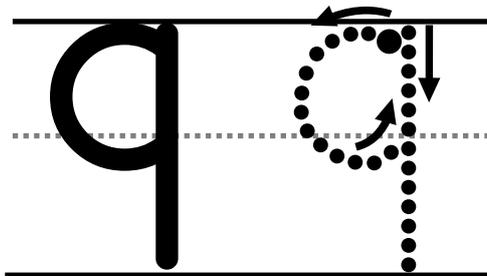

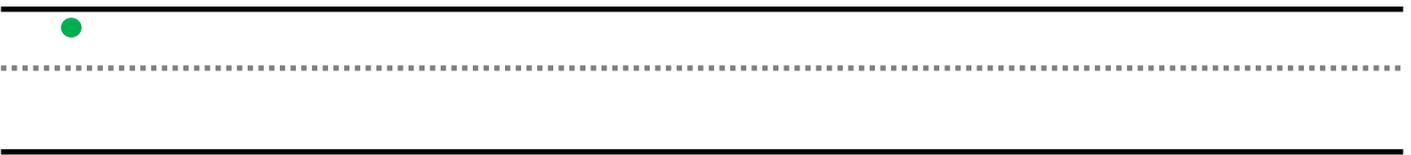

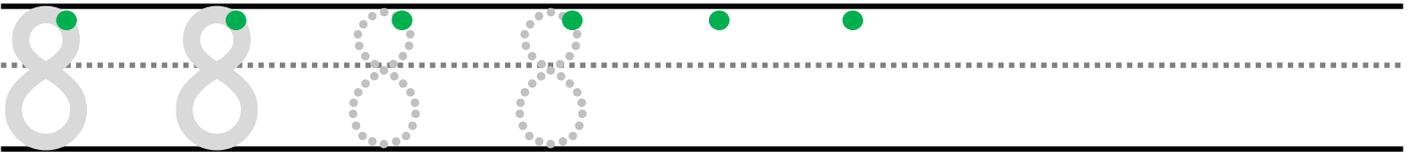

*A line across first, a line down second.
That's the way we form a seven.*

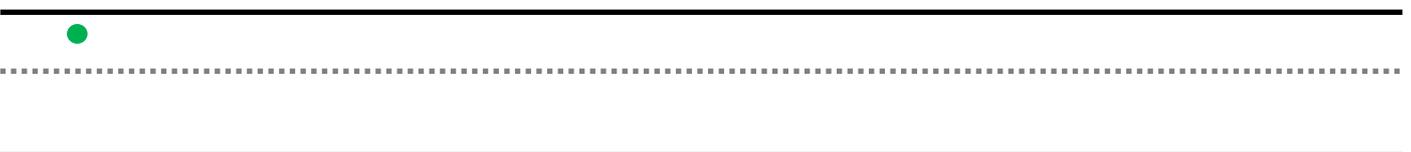

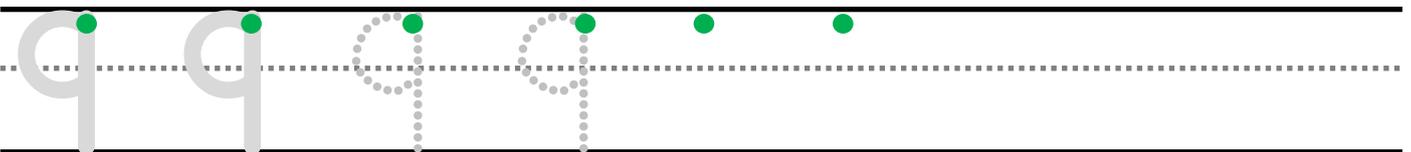

Draw an 's', join it up curved — not straight!

That's the way we form an eight.

Around in a loop, then straight down the line.

That's the way we form a nine.
